IRON OAK
HOMES

Welcome to Iron Oak's beautiful home, the "Hudson". Upon arrival, step into the large foyer offering plenty of space to greet your guests while they hang their jackets on the built-in mudbench or in the large coat closet. With extra entry cabinetry and many closets throughout, storage space is a huge benefit in this home! You'll fall in love with all the details - wall accents in the dining & master bedroom, full glass/tile walk-in shower, soft close cabinets to the ceiling, separate mudroom & powder bath off the garage & a nook in the loft for extra reading/homework/work space! This home has upgraded interior finishes such as: solid surface countertops, engineered hardwoods, gas fireplace, designer lighting, tile bathrooms/laundry room, upgraded appliances (ie built-in gas range, separate wall oven+microwave) & surround sound wiring. The fully covered back patio provides a peaceful & serene outdoor living space.
