IRON OAK
HOMES

We are proud to offer one of Iron Oak's most popular floor plans, the "Trey". This lovely two-story home features upgraded finishes: solid surface counters & floors in main living areas & bathrooms, deluxe kitchen with built-in gas range & micro/speed oven, soaker tub with separate tile walk-in shower, spacious mudroom, unique ceiling details & more! Upstairs offers a flex area for toys, TV, games, reading, etc. The beautiful fireplace adds a homey feel in the open concept great room. The large windows offer natural light & covered back patio provides a peaceful, serene outdoor space. The covered front porch is an added bonus! Relish in each detail from crown molding, custom lighting & designer fixtures. *Photos are Similar & based off our model home of the same floorplan* Please note actual finishes may be different than shown in listing photos & are for reference only.
